The National Marine Aquarium is the perfect place to get away from the tired traditional venues and experience an underwater world full of vibrancy and colour with an array of relaxing surroundings for meetings and entertaining. The National Marine Aquarium delivers a professional and impressive working environment that easily rivals any dedicated conference venue.

Our rooms are able to accommodate parties and delegates from as few as 10 people up to 250. All spaces are available either individually or together and can be laid out in formal or informal table plans, and used for all sorts of events from breakfast meetings, board meetings and formal conferences, to banquets, balls and corporate events.

Car parking on hand

National Marine Aquarium corporate bookings often receive complimentary day time car parking. Working alongside the Lockyers Quay Premier Inn, we provide a fantastic city parking location for up to 80 guests. Situated opposite the venue, the car park is only seconds away from your conference location. Central parking can be difficult and our simple solution can make some extensive savings for any company.

We are also delighted to offer a choice of delegate packages, and can provide consecutive days or weekend rates on request.
