We fully understand that numbers can change right up until the last minute and that is why we encourage groups to pay by cash, card or cheque on arrival, and so pay only for the exact amount of visitors.

We would also like to remind groups of our Code of Conduct while in the building. This is to ensure that all of our visitors are able to enjoy their time at the National Marine Aquarium and the health and safety of our staff and animals is not compromised:

Safety & Behaviour - In order to make your visit as enjoyable as possible, please be aware that at all times during the visit leaders are responsible for safeguarding and disciplining students – this is not the role of Aquarium staff members.

Smaller independent groups of students are allowed, but ultimate responsibility for their safety and behaviour rests with the supervising adults. The aquarium is always open to members of the public and to ensure they are able to enjoy their visit students will be asked to leave if their behaviour is deemed unacceptable by the aquarium staff.

Vandalism and theft will not be tolerated. Any incidents will result in immediate removal of the entire group from the building.

Cameras- We welcome cameras in the Aquarium, however, flash photography is not permitted. If you require assistance with camera settings please ask one of our hosts.

Lunch areas. We have an open air picnic area suitable for eating packed lunches, and a few areas indoor that are allocated during the booking process wherever possible on a first come first served basis. Students are only allowed to eat in the café area if they have purchased food and drink.

Visiting the Shop– While we hope that most groups will wish to purchase gifts from the wide range available in our shop, it would be very helpful if the students could do so in small supervised groups.

Hosts- We have a team of Aquarium Hosts around the building who are happy to educate and engage our visitors. You can spot them in their white Aquarium t-shirts - Ask them anything!

Public shows- A full daily schedule of talks & shows for the public is advertised around the building. You and your students are welcome to sit and listen to these presentations. Our popular shark feed takes place every Monday, Wednesday and Friday at 11am. There is also a dive show every day at 2pm in either of our large tanks (subject to change).
